# ABOUT US

## OUR LEGACY

### *Crafting Premium Golf Products from Sialkot, Pakistan*

For over three decades, ES Wears has been dedicated to producing premium golf gloves and luxury golf headcovers for brands around the world. Based in **Sialkot, Pakistan**—globally recognized for its craftsmanship in sporting goods—we combine traditional expertise with modern manufacturing to deliver products that meet the highest international standards.

Our integrated leather tannery allows us to control every stage of production, from raw hide selection and leather processing to the finished product. This complete in-house approach ensures exceptional quality, consistency, and flexibility for every OEM and private label project.

Today, we proudly partner with golf brands, distributors, retailers, and pro shops across international markets, helping them build premium collections with reliable manufacturing, custom development, and long-term support.

# Golf Glove Size Guide

## Finding the Perfect Fit

Selecting the correct glove size is essential for maximum comfort, grip, flexibility, and performance. Measure the length of your hand from the first crease below the palm to the tip of your middle finger, then compare your measurement with the size chart below.

The right fit delivers better comfort, control and performance.  
Measure your hand length and find your perfect size.
